ParentVUE Quick Guide

ParentVUE is an online portal that allows parents to monitor courses, assignments, exams, grades, attendance, and more.

- ***Wondering about your student's progress?***
ParentVUE displays class assignment scores and test results in easy-to-use calendar or list formats. And, Course History displays Graduation Status.
- ***Have questions for a teacher?***
ParentVUE contains single-click links to your student's teacher email accounts.
- ***Wondering if your student attended class?***
ParentVUE displays attendance data as soon as the teacher or Attendance Secretary updates your student's information.
- ***Curious about a past class?***
ParentVUE's Course History contains a full transcript of your student's courses and grades.
- ***Not receiving attendance emails and phone calls, or phone dialer announcements? Did you move or change your contact information?***
ParentVUE lets you review the information currently on file for your student and email updates to the registrar with a single click.
