Forecasting:
Students will begin forecasting in advisory class Friday, February 8th. They will be given a 2019/2020 Curriculum Guide and we encourage you to take some time to look at the guide with your student. You may use the planning space provided on pages 5-8 to create a draft of the classes your student will need next school year. Your student will then need to bring the Curriculum Guide to Advisory class on February 20th and 21st in order to complete the forecasting process. Thank you for partnering with us in making the best choices for your student!

State Testing:
OAKS/Smarter Balanced Testing for Juniors:
From February through end of May State Testing for all Juniors will take place. Juniors will take tests in Language Arts, Math and Science which provide valuable feedback for students and families. Passing these assessments can also meet graduation requirements for Essential Skills in Reading, Writing, and Math.

Language Arts, Math, and Science State Testing for 2019
- 11th Graders in IHS: Language Arts - Feb. 4th-6th, Science - test taken in IHS classes end of May
- 11th Graders in Sheldon Comprehensive - Language Arts/Science April 22nd-27th, test taken in US History classes
• All 11th Graders - Math, Most students are enrolled in a math class Trimester 3 and will be testing in their math classes April 22nd-27th. Some students will be testing in their math classes, Trimester 2 on Feb. 19th-21st.

This is a reminder if students receive a certain score, they will pass their Essential Skills in Reading, Writing, and Math. Every Oregon student must pass these 3 Essential Skills along with 24 credits to graduate from High School.

Senior Graduation Night:
Hello Sheldon Families. We need your help to make the 2019 Sheldon Graduation Celebration a success!

On June 11th, 2019 our Senior Class at Sheldon High School will celebrate a major achievement in their lives – their graduation! As parents, teachers and members of our community, our goal is to provide these graduating seniors with a fun way to celebrate, while still keeping our kids and community safe. The Sheldon Grad Night Party will be at Camp Harlow and is a drug and alcohol-free celebration. There will be food, games, prizes and much more to make this evening special. In order to keep student ticket prices affordable so all students can go it is necessary to gather contributions from the community. This event is organized and operated completely by parent and community volunteers. We do not receive any funding from the 4J School budget. It is only through the generosity of parents, community members and local businesses that this event is a success for all seniors wishing to attend. We are asking for your help. We need volunteers, door prizes, and money!
To donate by check please mail check payable to: Sheldon Graduation Party, 2455 Willakenzie Rd, Eugene, OR 97401. To donate a door prize or your time on the fun night, please email: sheldonclass2019@gmail.com

Thank you for helping us make the 2019 Sheldon Grad Night a memorable and safe evening for graduating seniors!

The next Grad Night Planning Meeting will be February 7, 2019 at 6:30pm in the Sheldon Library. Go Irish!
