

# Sheldon SENIOR Yearbook Portrait Specs...Class of 2020!!!

Students may choose to have a studio portrait picture taken or one with an outdoor background. Not only do students have to adhere to 4j's dress code, but also to the specs listed below. This will ensure the yearbook some degree of uniformity in the senior section.

- **Wallet Size:** Roughly 2.4" by 3.4"
- **Background:** Either in a **studio** or **outdoors**.
  - ▶ **No Props Such As:** Instruments, sports equipment, animals, etc.
  - ▶ **Torso Only** (*no undergarments showing*)
- **Student's Name** must be on the photo or w/ email.

▶▶ **Digital Photos** must be submitted **300 dpi** and the proper size (2.4" by 3.4"), jpeg or psd format, on a cd, dvd or via email.

## Photos not meeting the above specs

**WILL NOT be accepted!** The school ID photo meets the above specifications and it will be used if we do not receive any other professional portrait. \*\*The school ID photo also **holds** their spot in the senior section...we strongly encourage EVERY student to get an ID photo taken at the beginning of the year.

*\*Advisor has the discretion to reject any photos deemed inappropriate.*

**We will post a list by the end of Nov. on the yearbook web site indicating the type of picture we have for each student. It is the senior student's responsibility to check and see if their photo has been received.**

**Senior photos can also be submitted by using the Herff Jones eShare app. School code: Sheldon. File name should be student's last name\_student's first name.**

The Herff Jones eShare app may be used to submit any photos of students enjoying Sheldon Activities. Help make the Yearbook one you are a part of!
