

For Families,

1. An email was sent last week containing information regarding athletics. **“There will be no formal or informal athletic activities related to our high school teams or athletic departments, on or off campus, until we return to in-person instruction** in our schools (hybrid or otherwise), for the health and safety of our school community.”

*This means that at this time our coaches are not able to organize any Sheldon High School **full team or group** events/practices/activities virtually or in person.*

Our coaching staff **will** continue to be available to check with players individually, answer questions, post and share information with teams and families.

2. OSAA Athlete Eligibility requirements remain unchanged.

-Student must be enrolled in a minimum of 4 classes the term prior to and during their athletic season.

-Students must have passed/passing 4 classes the term prior to and during their athletic season.

-Students must be on track to graduate. (appropriate number of credits earned for each academic year 24 required for graduation)

Please note that because our OSAA athletic seasons have changed all season 2 (traditional winter) and season 3(traditional fall) athletes must be enrolled in 4 and pass for the first term.

As things continue to change and evolve we will do our best to keep you updated and informed.

Please don't hesitate to reach out with questions.

GO IRISH
