# ACADEMIC EXCELLENCE

Go  
further.

At U of I, you'll learn from professors who have world-renowned expertise. They are passionate about what they do. And through their teaching and mentoring, you'll discover how to turn your passion into a career, too.

Here, you'll go beyond the classroom to solve tough problems and do work that matters. You could engineer technologies that combat climate change; launch a game-changing innovation in the marketplace; study volcanic activity in Yellowstone National Park; push the boundaries of artistry on stage or in a studio; and so much more.

# JOIN IN

## What will you do first?

At U of I, you'll have many opportunities to grow and find activities you love. There's always something happening on campus. The more you get involved, the more you can better yourself, prepare for your future career and make the world a better place.

Where will your interests lead you? Swing dancing? Mountain biking? Maybe you'll become the Vandals' #1 fan at NCAA Division 1 Vandal athletic events. Or maybe you'll write a story for our student paper, the Argonaut. You might join a winning quiz bowl team or perform as the lead in a Hartung Theater musical.

Whatever you do, you're sure to make new friends and have unforgettable adventures. U of I has hundreds of social, academic and community-based clubs — all waiting for you.

# CAMPUS LIVING

## Eat, sleep and live.

Get the college experience you've always dreamed of at U of I. Picture yourself waving to friends as you pass between classes on the sprawling Admin lawn. Meeting for a group project with a fresh cup of coffee in hand at the Idaho Student Union Building, the university's social hub. Laying in the grass soaking up warm rays of sunshine. Staying in with your buddies for a movie night at a residence lounge.

Whether you choose to live at a residence hall, fraternity or sorority, living on campus is an unforgettable experience. It puts you at the center of the action, close to great dining choices like The Eatery, Qdoba and Einstein's Bros. Bagels.

I love the fact that  
[Moscow] is slower pace.  
It's not as busy. It's not  
claustrophobic.

# BEAUTIFUL MOSCOW

## Our college town.

There's something special about Moscow, Idaho. It's a place that's neither too big, nor too small. Everything you need is within a short walk or bike ride from campus. You'll love exploring downtown with friends, whether you're hanging at a coffee shop, catching a flick at the Kenworthy or walking around the Farmers Market. It's no wonder Seattle Magazine called our charming little city a "college town with a soul that shines through year-round."

## Scholarships? We've Got You!

At U of I, we offer students from all states and countries an affordable education. We offer two programs for out of state and international students: our **WUE** (Western Undergraduate Exchange) and the **Invitation to Idaho** scholarship. Both programs result in the same savings (over \$16,000 per year) and regardless of where you call home, you may be eligible for one of these two programs. Check [uidaho.edu/discover-more](https://uidaho.edu/discover-more) to learn more.

Home school students and students from non-accredited high schools will be considered based on ACT and SAT scores. Additional need-based grant funds may be available based on the results of your FAFSA.

## 2 Apply for admission.

### You have what it takes to do great things.

New discoveries and adventures await you at U of I. If you are a new first-year student entering U of I in 2022 and you are unable to sit for an ACT or SAT exam due to COVID-19, you'll be automatically considered for admission if your cumulative unweighted GPA is 2.60-4.00. If your cumulative unweighted GPA is below 2.60 (and you're unable to sit for an exam), you are welcome to apply through our Admissions Committee.

Please note, if you have a test score, you are encouraged to provide it for admission and class placement.

High School Cumulative GPA (Unweighted)	ACT Composite	SAT Evidence-based Reading & Writing + Math (SAT Taken March 2016 and After)
3.00-4.00	Any Test Score	Any Test Score
2.60-2.99	Any Test Score	Any Test Score
2.50-2.59	17-36	910-1600
2.40-2.49	19-36	990-1600
2.30-2.39	21-36	1070-1600
2.20-2.29	23-36	1140-1600

### Transferring to U of I?

If you're a transfer student with more than 14 transferable semester credits, your admissions eligibility is contingent on a 2.0 GPA from all college-level study attempted at accredited colleges. Some courses excluded. Other academic departments may have additional requirements.

### Vandal Gateway Program
